BIG HAWG™ with Carbide Teeth Kit - 7PC

Our MILWAUKEE® BIG HAWG™ with Carbide Teeth is the best hole saw solution for nail-embedded wood and abrasive material applications. Our first-to-market hole saw offers extreme life utilizing advanced carbide technology. The BIG HAWG™ gives users 50X more life in demanding applications with the ability to cut 1000+ more nails. The heavy duty hole saw has 10X larger carbide teeth that rip through materials five times faster. Deeper slots allow for fast and easy plug removal. Our BIG HAWG™ hole saw is the best solution for cutting through the toughest materials, including nails, cement board, shingles, plaster and stucco. Our kit includes four BIG HAWG™ hole saws, two pilot bits, and a diamond file.
