

Extreme Thick Metal Band Saw Blades 3 pk Compact

The new extreme metal cutting band saw blades deliver exactly what the users want; more cuts and less blade changes. With an aggressive variable pitched tooth design we deliver the versatility to cut more metal thickness with one blade. That versatility combined with 3X life in stainless steel, will increase your time cutting and decrease your time changing blades. Paired with fast, clean cuts in common materials, this blade will deliver you the performance you are looking for in one blade.
