

SV272-2

Multipurpose Surveyor Vest with Contrasting Trim

TYPE R / CLASS 2

ANSI/ISEA 107-2015

This Class 2 all mesh vest is a great combination of value and performance. The design is simple enough to ensure the vest is competitively priced for high volume applications. Added pockets ensure you can carry a few more tools while still having your hands free to do your work, including an inside pocket that is large enough for a Tablet.
