

M18 FUEL™ 7/16" Hex Utility HTIW w/ ONE-KEY™ Kit

4.8 (33) Write a review

Our MILWAUKEE® M18 FUEL™ 7/16" Hex Utility High Torque Impact Wrench w/ ONE-KEY™ delivers the Fastest Drilling Speed, More Power, and is Built for Maximum Control. The POWERSTATE™ Brushless Motor and all-new mechanism provide linemen with 30% faster drilling speeds, increasing your productivity while on the job. With up to 750ft-lbs max torque, this battery powered impact wrench gives you more power for effortless removal of rusted or corroded hardware. It is ergonomically designed for the lineman, providing you with superior control whether in-bucket, on-ground or climbing. The extended handle offers you increased grip surface, perfectly fitting high voltage safety gloves for improved comfort, less fatigue, and balanced maneuverability. This is the first 7/16" high torque impact gun in the industry to be equipped with a QUIK-LOK™ chuck, uniquely providing faster and easier bit changes. You can keep one hand firmly on the tool's handle while inserting augers, sockets and other essential power utility accessories. The integrated lanyard loop allows you to easily transfer and store the tool. REDLINK PLUS™ Intelligence ensures maximum performance and protects your impact from overloads, heating, and over-discharge. The REDLITHIUM™ Battery Pack is compatible with 175+ M18™ tools, delivering you with more work per charge and more work over the life of the pack than competitors. With ONE-KEY™, you also gain the ability to Customize, Track and Manage your utility impact. ONE-KEY™ technology also allows you to save up to 4 task settings directly to the tool. If your tool is ever lost or stolen, its tracking functionality can lock it out.
