

M18 FUEL™ Pipe Threader w/ One-Key™ Kit

★★★★★ 4.9 (16) [Write a review](#)

Our M18 FUEL™ Pipe Threader w/ ONE-KEY™ is the industry's first cordless pipe threader, revolutionizing the pipe threading process. The cordless pipe threader features AutoStop™ technology that senses severe kickback and automatically shuts the tool off. It also has a die head lock preventing die head ejection and a side handle to eliminate the need for you to hold the spinning die head when starting threads. The portable pipe threader delivers unmatched tool control and functionality and allows you to thread faster than the corded competition. Featuring a multi-speed selector, this powerful pipe threader threads faster than corded competitors, maximizing your productivity without compromising thread quality. Our M18™ REDLITHIUM™ HIGH OUTPUT™ HD12.0 battery delivers unmatched run-time in all applications and gives you the power to thread up to 2" black iron pipe, stainless steel, and rigid metal conduit (RMC). The handheld pipe threader is compatible with ONE-KEY™ Technology and is the industry's first pipe threader that wirelessly connects to a smartphone to track the tool's location, manage it in inventory, and lock the tool out for added security and protection to your investment. In addition to the threader, the kit includes two M18™ HIGH OUTPUT™ HD12.0 Battery Packs, an M18™/M12™ Rapid Charger, a Threading Support Arm, and a Carrying Case.

INCLUDES:

- (1) M18 FUEL™ Pipe Threader w/ One-Key™ (2874-20)
- (2) M18 REDLITHIUM™ HIGH OUTPUT™ HD12.0 Battery Pack (48-11-1812)
- (1) M18™ & M12™ Rapid Charger (48-59-1808)
- (1) Threading Support Arm
- (1) Carrying Case

- ✓ AUTOSTOP™ kickback control prevents severe kickback
- ✓ Threads Faster than Corded
- ✓ Offset die head for closer threading near pipe bends and against walls.
- ✓ Dedicated Support Arm enables threading without pipe stand
- ✓ Multi-Speed Selector optimizes thread quality across pipe sizes
- ✓ POWERSTATE™ Brushless Motor provides more power, more run-time, and longer life
- ✓ Magnesium enforced carry handle
- ✓ Side Grip Thread Starts
- ✓ Side grip and die head retention lock for no engagement with spinning die head
- ✓ Compatible with ridgid® 12-R and Reed R12+ die heads
- ✓ Over 25, 2" pipe threads per charge
- ✓ One-Key™ technology allows for tracking, tool security, and inventory management
- ✓ REDLINK PLUS™ Electronic Intelligence enables advanced communication between batteries and tools for unmatched performance, protection, and productivity.
- ✓ Fits M18™ Batteries
