

Milwaukee 200 ft. Polyester Fish Tape w/ Non-Conductive Tip

Model Number: 48-22-4167

Our Polyester Fish Tapes with Non-Conductive Tips feature a high flexibility tape for the easiest fishing. The triple strand design will not kink after repeated use and delivers a more durable tape. The non-conductive tip allows you to safely handle wire and cable in electrical applications. A low friction case provides you with a smooth payout and easy rewind. The fish tape features a multi-position handle allowing you to comfortably use the fish tape in any jobsite scenario.
