

This Brushless Compact Drill/Driver Kit includes two 20V MAX\* Lithium Ion batteries, charger, and carrying bag. It is only 6.3 in. front to back, and its high-performance brushless motor delivers 340 unit watts outs (UWO). The LED provides optimum illumination in dark spaces. The handle is ergonomically designed for increased comfort, balance, and easier tool control. It also has a removable belt hook. It's backed by a 3-year, limited warranty so you can buy with confidence.
