

High-Visibility Cut Level 2 Polyurethane Dipped Gloves

Our High-Visibility Cut Level 2 Polyurethane Dipped Gloves are designed to provide a Better Fit and Better Protection. These hi-vis cut resistant gloves have a reinforced nitrile coating between the thumb and index finger for enhanced durability in high wear points. The cut resistant gloves feature SMARTWIPE™ touchscreen compatible fingertips. The cut level 2 gloves are knit with 15 gauge for better dexterity when handling small objects. These breathable gloves are lightweight for comfortable all day wear. MILWAUKEE® offers hi-vis gloves in sizes ranging from S-XXL so you can get your perfect fit. Milwaukee High Visibility Gloves feature color ID bands for you to easily identify cut levels.
