

High-Leverage Lineman's Pliers with Crimper

4.0 (2) Write a review

Our 9-inch High-Leverage Lineman's Pliers with Crimper are designed to have maximum leverage and make easier cuts. These high leverage pliers feature hardened iron carbide cutting edges, with optimized pivot designed to allow you to cut ACSR, hard wire, and soft wire with ease. The on-board crimper can be used for insulated and non-insulated electrical terminals. The lineman's pliers also feature a fish tape puller. All of our pliers are forged for strength and feature rust protection with a Limited Lifetime Warranty.
