

radiant Collection
radiant® 15A Single-Pole Switch
Part No. TM870W

The perfect upgrade for your basic light switch, the Single-Pole Switch from the radiant® Collection provides on/off control of a light or fixture from a single location, while combining clean lines and smooth paddle action for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any standard switch with ease.

Smooth paddle action.

High-impact resistant thermoplastic construction.

Side wire terminal screws #12 : #14 AWG solid wire: push wire terminals accept #14 AWG solid cooper wire only.

Narrow back body leaves more room for wires in the electrical box.

Captivated mounting screws offer hassle-free installation.

Coordinate your USB charger with a radiant screwless wall plate.

For covering patents, see www.legrand.us/patents.
