

Milwaukee 1/4 in. x 3-1/2 in. High Speed Steel Pilot Bit

Model Number: 49-56-8010

Milwaukee Thunderbolt pilot bits are designed for extreme durability and long life. The Thunderbolt web features a thicker core than a standard pilot bit, which provides ultimate strength and protects against side-load breakage. A specially designed parabolic flute form clears chips and debris fast to keep the bit cool. A precision start, 135 degree split point tip starts on contact to keep the bit from walking for fast, accurate holes. Excellent for drilling on curved surfaces, requires less effort to drill and is highly recommended for use with portable drills.

Features:

- Thunderbolt tapered web for added durability
- 135 degree split point provides accurate hole placement
- 3-flat shank will not slip in arbor or chuck
- Parabolic flute clears chips faster

Specifications:

- Shank Size 1/4 in. 3-Flat
- Pack Qty 1
- Type Hole Saws and Accessories
- Fits Hole Saw Sizes All Sizes
- Style Hole Saw Pilot Bits

Includes:

- (1) 1/4 in. x 3-1/2 in. High Speed Steel Pilot Bit
