

**Manufacturer:** Irwin

**Mpn #** 1837324

**Shipping Dimensions** 0.4" x 1.9" x 4.7"

**Weight** 0.02 lbs.

---

## Product Features

- Built for maximum durability and long life with impact drivers
  - Forged bit (vs milled) for superior fitment, which reduces stripping and increases life of bit 3X
  - Manufactured with heavy-duty, cold-forged, high-grade steel to withstand high torque output
  - Black oxide finish resists corrosion and increases life of bit
  - Rockwell hardness of 58 to 62
-
