# **Product Specifications**

### **Mounting Frame**

- Galvanized steel mounting frame with offset aperture and integral bar hanger receivers
- · Locking screws provide positive horizontal locking
- · Provides tool-less attachment of remote driver / junction box
- Break-outs allow the frame to accept square fittings, cannot be reverted to accepting round after the break-outs are removed

### **Bar Hangers**

- GOT NAIL! Gen 3 bar hangers adjust from 8" to 24" wide
- Pass thru feature allows shortening without removal
- Captive nail penetrates standard and engineered lumber
- · Mounting flange levels platform with ceiling
- · Integral clip attaches directly to tee-bar.

### Compliance

 Can be used to meet local code requirements where install from below fixture fittings must be supported directly by building structure

#### Warranty

· One year limited warranty, consult website for details. www.cooperlighting.com/legal
