

# M12™ FUEL™ 3/8" Ratchet 2 Battery Kit

4.7 (1012) Write a review

Our MILWAUKEE® M12™ FUEL™ 3/8" Ratchet is the first cordless tool that provides both the torque and compact size to replace pneumatic ratchets in the industry. This cordless ratchet kit includes 2 REDLITHIUM™ batteries, an M12™ battery charger and carrying case. This Milwaukee ratchet delivers up to 55ft-lbs of max torque and 200rpm's making it the ideal fastening solution for automotive mechanics, repair technicians and maintenance workers who demand maximum performance and convenient portability. The M12 battery powered ratchet has a low profile head and cordless design which allows you more access in tight spaces than competitive units. With the industry leading FUEL™ technology, a reinforced mechanism and investment cast steel yoke housing, this rechargeable ratchet can withstand daily jobsite wear and tear for years of reliable use. Milwaukee's cordless ratchet has eliminated the constant maintenance of pneumatic ratchets and the nuisance of an air hose in the shop. The M12™ FUEL™ Ratchet delivers the maximum portability and productivity for the professional user.
