Registration Number: NJSM-Y124GT  
Model Number: OLAW23 53K 120 PE BZ  
Type: Outdoor arearoadway fixture

### Lightweight, Contemporary Design and Size

Ideal for lighting building facades, parking areas, walkways, garages, loading areas and other outdoor spaces.

### Energy & Maintenance Savings

The OLAW23 uses only 35 input watts, requiring less energy when compared to traditional light sources. The LEDs last 50,000 hours requiring no maintenance costs for more than 11 years!\* Quality tested in accordance with IESNA LM-79 and LM-80.

\*Energy savings over the life of the fixture based on difference in input watts @ \$.12KWh and operating 12 Hours/Day, 365 Days/year. Total savings over life of the fixture is total Energy Savings + Cost of replacement lamps required for traditional source.

#### ORDERING INFORMATION
