JACKSON® SG

The Jackson® SG series is the only genuine safety eyewear product available under the Jackson brand. Designed with the wearer in mind, this premium product offers outstanding comfort, fit, style, and durability. Available in a variety of frames and lenses, the Jackson® SG family of products is the clear choice in eye protection.

Frames are lightweight for added comfort and ultra-flexible for a near custom fit

Specially formulated ultra-strong material offers unmatched durability and toughness

All models come complete with a convenient neck cord to prevent loss

Soft-touch temples are slip-resistant and provide comfort for hours on end

Polycarbonate material meets ANSI Z87.1 and provides 99.9% UV protection

Choose from a variety of lenses and coatings to fit any application

Wraparound style lenses extend eye protection to the periphery

All standard packs of 12 come with an attractive ready-to-use retail dispenser box
