

CORDED & UNCORDED DISPOSABLE FOAM PLUGS

32
NRR

Tested according to ANSI specs S3.19-1974, Radians Made in the USA disposable foam earplugs feature soft, slow-recovery foam for extreme comfort and outstanding noise reduction to protect your hearing. They are easy to roll down and insert, and they expand slowly for a low-pressure fit in virtually any size ear canal. Resistor plugs are available in corded and uncoded options, each packaged in individual polybags to keep them clean and boxes with dispenser fronts for easy access. Retail bag packaging and a plastic counter or wall-mount dispenser are also available for uncoded plugs.
