

## Cut 5 Dipped Gloves - M

The Milwaukee Tool cut resistant dipped gloves are designed to provide ultimate durability, all-day comfort, and best in class dexterity for handling small objects. These gloves feature ANSI and EN Cut Level V protection to help prevent injuries from sharp objects on the jobsite. Additionally, Milwaukee gloves utilize a double dipped nitrile grip to provide best in class protection from puncture and a dual layer for added durability. Smartswipe™ fingertips & palms provide full access to touchscreen devices without removing the gloves and also feature high dexterity fingertips to maximize control when handling small objects.
