

The 12V/20V MAX* Compact Task Light will brighten any job. Its 360-degree handle, with two tripod mounts, makes it our most versatile task light yet. 3 brightness settings feature powerful LED technology to produce up to 2,000 lumens of natural white light. Its compact and lightweight design (only 2.8 lbs.) make portability and storing easy. This task light is compatible with all of our 12V MAX*, 20V MAX*, and FLEXVOLT® batteries.
