

## 19-Piece Impact Drill/Drive Set

Item #1840316 Shown

### 19-Piece Impact Drill/Drive Set Features:

While most screwdriving bits are simply compatible with impact drills and drivers, IRWIN® Impact Performance Series® fastener drive bits are engineered for maximum durability and long life with impact drivers. These bits are forged\* rather than milled, so they fit fasteners more precisely, which reduces stripping and increases the life of the bit itself – IRWIN's Impact Performance Series bits have three times longer life than traditional bits. Manufactured with heavy-duty, cold-forged, high-grade steel, they'll withstand extremely high torque output. Plus, a black oxide finish resists corrosion and increases the life of the bit.

- Built for maximum durability and long life with impact drivers.
- Forged bit (vs. milled) for superior fitment, which reduces stripping and increases life of bit 3X.\*
- Manufactured with heavy-duty, cold-forged, high-grade steel to withstand high torque output.
- Black oxide finish resists corrosion and increases life of bit.

\*Square and Phillips bits only

\*\*vs. standard screwdriver bits
