

## 20V MAX PREMIUM 5-TOOL COMBO KIT

The DEWALT® 20V MAX\* Premium 5-Tool Combo Kit is an all-in-one solution for virtually any construction or remodel project. This kit's included batteries and a charger let you keep working until the job's done. The DEWALT impact driver's integrated light eliminates shadows for greater accuracy while installing fasteners. The reciprocating saw features a keyless blade change for greater convenience. Make fast cuts at an angle with the DEWALT circular saw's 45-degree bevel capability. Enjoy an ideal combination of speed and control thanks to the hammerdrill's three-speed transmission. Use the LED work light to work in a blackout or at an unpowered site.

## FEATURES

---

Includes 1/2-in hammer drill, reciprocating saw, 1/4-in impact driver, 6-1/2-in circular saw, LED work light, two 20-volt max Li-ion batteries, fast charger, 360° side handle, belt hook, carbide tipped blade, and soft-sided storage bag

20-volt max reciprocating saw with 4-position keyless blade clamp; feature allows for quick blade change without touching the blade or reciprocating shaft

20-volt max hammer drill features patented 3-speed, all-metal transmission and 1/2-in all-metal ratcheting chuck; drill delivers 535 unit watts out (UWO) of maximum performance, faster application speed, and superior bit retention

20-volt max 1/4-in impact driver features 3 LED lights with 20-second delay to provide visibility without shadows

20-volt max circular saw, with lightweight magnesium shoe and 6-1/2-in carbide blade; saw can cut a 2x4 at a 45° angle in a single pass

20-volt max LED work light delivers 110 lumens of light output

20-volt max Li-ion batteries reach full charge in 30 minutes; batteries come with a 3-year warranty

Fast charger recharges batteries in 30 minutes to reduce downtime
