

TECHNICAL DATA

Specification

Diameter	1"
Flute Length	24.0
Length	29.0"
Overall Length	29.0
Quantity	1 Bit
Shank Diameter	0.0
Useable Length	24"

BENEFITS

Highest drilling speed with inclined side cutters provides fast concrete drilling

Compact head for fast dust removal and longer life

Active-centering tip provides quick, accurate starts

Wear mark indicator assures accuracy of hole diameter

Inclined side cutters for aggressive drilling
