

# TECHNICAL DATA

## Specification

Diameter	7/32"
Flute Length	4.0
Length	6.0"
Overall Length	6.0
Quantity	1
Shank Diameter	0.2187
Useable Length	4"
Includes	(1) 7/32 In. x 6 In. BlueGranite Turb

## BENEFITS

- Upgraded build - delivers 5x life and 2x speed over standard masonry bits
- Hex shanks and impact rated – allows use in impact drivers and hammer drill/drivers for added ver
- Four-grind head – delivers two more cutting angles for longer life and faster speed
- Multi-grind carbide centering tip – offers accurate starts in brick, masonry and more
- Robust bit head – provides long life in impact applications
- Milled U-flutes with deep-cut spirals – delivers fast dust removal
- Bosch-made carbide – delivers outstanding durability under heavy loads
