

TECHNICAL DATA

Specification

Diameter	1/4"
Flute Length	10.0
Length	12.0"
Overall Length	12.0
Quantity	1
Shank Diameter	0.25
Useable Length	10"
Includes	(1) 1/4 In. x 12 In. BlueGranite Turbo

BENEFITS

Upgraded build - delivers 5x life and 2x speed over standard masonry bits

PowerGrip round shank – provides better grip for great speed

Four-grind head – delivers two more cutting angles for longer life and faster speed

Multi-grind carbide centering tip – offers accurate starts in brick, masonry and more

Robust bit head – provides long life in impact applications

Milled U-flutes with deep-cut spirals – delivers fast dust removal

Bosch-made carbide – delivers outstanding durability under heavy loads
