

Irwin 27 PIECE. Drill/Drive Set 1800580

(3) No. 2 square recess 1 IN insert bits

(4) No. 2 Phillips 1 IN insert bits.

(7) of the most common TORx bits, plus a compact magnetic screw guide and No. 2 Phillips 8/10 slotted double-end bit.

(3) magnetic nutsetters (1/4 IN, 5/16 IN, and 3/8 IN).

(8) black oxide drill bits (1/16 IN - 1/4 IN) provide corrosion resistance with 135 deg. split point that starts on contact and minimizes bit walking.
