

Premium Cable Ripper

Part # CR-1000

Hand tools are a part of every toolbox. With exclusive features for safety, durability, reliability and life strength, Gardner Bender hand tools offer **More...**

Hand tools are a part of every toolbox. With exclusive features for safety, durability, reliability and life strength, Gardner Bender hand tools offer superior performance on every job. This simple to use cable ripper is only 4 in. long to tuck neatly into your electrical tool belt. The nickel-plated finish offers corrosion-resistant durability. Handy design slits outer covering of all sizes (both old and new) of non-metallic (type NM) sheathed cable. Wire gauge etched into the handle for quick reference when stripping sheathing.

- Designed for 12/2 and 14/2 NM Cable
- Wire gauge on handle checks and strips #6 to #14 AWG
- Rip open cable jacket with these strippers
- Cut off the cable jacket and strip wire ends
- Slits outer covering of Romex (all sizes, both old and new) and other Non-Metallic (NM) sheathed cable
