22-in. Easy-Carry Storage Strap

★★★★☆ 20 reviews

Cables are just like celebrities. As soon as they become “big” they need a team of personal handlers. We added a sturdy handle to these Heavy-Duty Storage Straps so you can get a firm grip on your hefty cables, cords, hoses, ropes, building materials, plus so much more.

- **Super Strong:** Holds up to 50 lbs./22.6 kg. Bring on the bicep curls and shoulder shrugs.
- **Weatherproof:** Use indoors and outdoors. They fear no element.
- **Multi-Purpose:** For more than just cords. We’re looking at you, tools.
- **Dimensions:** 22-inches x 2.5-inches
- 22-in. size is great for organizing: 100-ft.+ extension cords, RV extension and electrical cords, 50-ft.-75-ft. garden or water hoses, conduit, PVC pipe and other building materials, and so much more
- *Patent Pending*
