Industrial grade receptacles

Arrow Hart industrial receptacles are best-in-class with unique features

These durable receptacles are designed from the inside out to provide innovative functionality throughout the product line and withstand the most abusive environments to provide a consistent means of reliable connectivity

Premium industrial grade
AH5262, AH5362, AH5462, AH5662
features & benefits

Auto ground clip comes standard

Back wire ground clamp provides fast and secure wiring

High impact and chemical-resistant nylon face holds structural integrity

Exclusive screw terminal guards provide insulation from conductive surfaces

Innovative 5-leaf solid brass contacts provide consistent performance and superior plug retention

Glass-filled nylon base provides superior strength and high heat resistance

1-piece solid brass mounting strap with integral grounding system assures ground integrity

Industrial grade
AH5252, AH5352
features & benefits

Extra-long mounting straps help secure installation in poorly cut wall openings

1-piece solid brass ground shunt system assures ground integrity

Exclusive 5-leaf solid brass contacts provide consistent performance and superior plug retention

Additional features & benefits

- Patented screw catch speeds wallplate installation
- Convenient built-in #10 and #12 AWG wire strippers

- Tri-combination head brass terminal screws are backed out and ready to wire
- Available in 15A & 20A duplex & single configurations, including isolated ground and ArrowLink modular styles
Compliances, specifications and availability are subject to change without notice.
