

# Power-Vee®

● *With Power Cable Feed. Works great in tight spots.*

● We've miniaturized our big machine power cable feed and put it on the Super-Vee to give you feeding speed and convenience you haven't seen before in a hand-held power drain cleaner. In tight or awkward places, the Power-Vee is like having an extra hand.

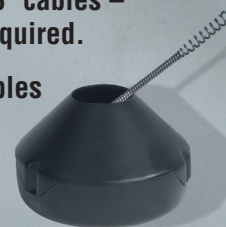

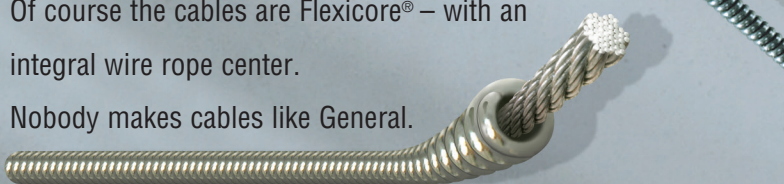

To feed the cable just start the Power-Vee and squeeze the feed lever; to retract it, reverse the motor and squeeze the lever. The feed handles 1/4", 5/16" and 3/8" cables. No adjustment or additional parts required.

Our Dyna-Thrust™ bearing system helps carry the weight of the drum, significantly reducing wear on the motor shaft bearing and extending the life of the tool. Also adding to the Power-Vee's durability is the heavy-gauge stamped aluminum drum.

Of course the cables are Flexicore® – with an integral wire rope center.

Nobody makes cables like General.

- Feeds 3/8" cable at 16 feet per minute.
- The feed handles 1/4", 5/16" and 3/8" cables – no adjustment or additional parts required.
- Uses left hand wound Flexicore® cables for maximum strength.
- With Quick-Change cable Cartridges.

# Power-Vee Units

Complete and Ready to Operate

## Basic Unit Includes:

- Power Cable Feed
- Variable Speed Motor with Reverse Switch
- Quick-Change Cable Cartridge

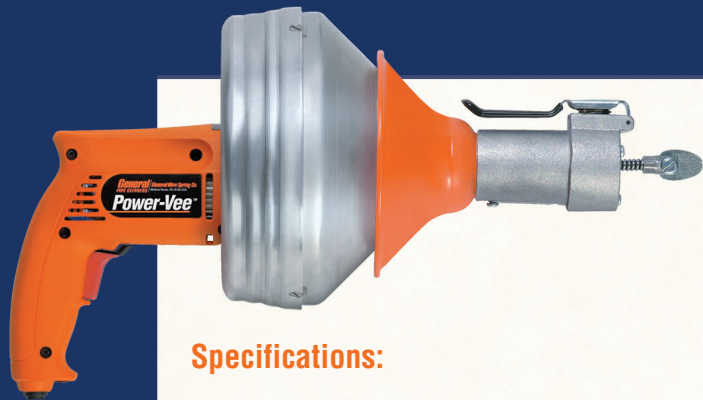

**PV-A-WC** with case, 25 ft. x 1/4" (25HE1-DH), 25 ft. x 3/8" (25HE2) cables, HECS cutter set and one additional cartridge. Boxed Weight 33 lbs.

**PV-B-WC** with case, 25 ft. x 1/4" (25HE1-DH), 35 ft. x 3/8" (35HE2) cables, HECS cutter set and one additional cartridge. Boxed weight 36 lbs.

**PV-C-WC** with case, 50 ft. x 1/4" (50HE1-DH), 35 ft. x 3/8" (35HE2) cables, HECS cutter set and one additional cartridge. weight 39 lbs.

**PV-D-WC** with case, 25 ft. x 5/16" (25HE1-A-DH) cable. Boxed weight 27 lbs.

**PV-F-WC** with case, 25 ft. x 1/4" (25HE1-DH) cable. Boxed weight 26 lbs.

## Specifications:

### Motor:

All ball-bearing, double-insulated, reversible motor with variable speed control; 0-500 rpm.

### Drum:

Heavy gauge stamped aluminum with inner drum to prevent cable tangling.

### Capacity:

50 ft. of 1/4" or 5/16" cable; 35 ft. of 3/8" cable. All cables are left hand wound and reinforced with a wire rope center.

### Cutter Set:

See below.

### Cable Cartridges:

Light weight, impact resistant plastic.

### Power Feed:

Feeds 3/8" cable at 16 feet per minute.
