

General's 25 ft. x 5/16 in. Flexicore cable for small drain lines. Heavy-gauge wire coiled tightly around 49-strand aircraft-type wire rope and heat treated. Has unequalled strength and the right amount of flexibility.

- For use in 1-1/2 in. - 3 in. lines
- Not for tree roots
- General's Flexicore cable with down head
- Snake-oil preserves and protects your sewer cables against rust and corrosion
- Down head easily guides the cable down through the trap
- No cutters needed
