

## **Croc's Jr. – Wire Strippers**

Hand-held multi use wire strippers

(37 customer reviews)

---

The Croc's Jr. Needle Nose Wire Strippers have all the main features of the best wire strippers plus so much more! With ergonomic handles, Electricians tell us they love the feel of these wire strippers. The Croc's Jr. Needle Nose Wire Strippers are rated to cut standardized American Wire Gauge (AWG) wire sizes from a #8 down to a #22 making them the perfect tool for electricians and amateurs alike. You can also be sure to never misplace the Croc's Jr., no matter the environment, with its glow in the dark handles. With numerous blades and a dual action sheath you will be able to satisfy all of your stripping, and cutting needs.
