

7-1/8" Wire Stripper/Cutter for Solid & Stranded Wire

5.0 (1) Write a review

Our Wire Strippers/Cutters feature a swing-lock design allowing you to perform fast 1-handed operations and won't open when stored in your pouch or backpack. The pliers feature a curved blade design that allows you to perform clean cuts through larger solid and stranded wire sizes, giving you the capability to cut #6 and #8 bolts. The stripping and cutting pliers' ergonomic handle and lightweight design provide you with maximum versatility and smooth wire stripping. The pliers feature rust protection to protect your tool while working on the toughest job sites. We stand behind our products and offers a MILWAUKEE® Limited Lifetime Warranty with all wire pliers.
