

8" Comfort Grip Diagonal Cutting Pliers

(0) Write a review

Our 8 in. Comfort Grip Diagonal Cutting Pliers feature Iron Carbide Edge hardened cutting edges, providing you up to 2X More Cuts. The pliers have a tapered nose with flush cutting blades allowing you to cut to the tip. The tool's head features integrated reaming ridges for removing burrs from the inside of a smooth pipe. The diagonal cutting pliers also feature an integrated fish tape puller. The cutting pliers feature over-molded comfort grips, which will not peel after heavy use on the jobsite and provide you with all-day comfort. All MILWAUKEE® pliers are forged for strength and have rust protection for longer tool life.
