Features

Multi-Cutter Saw offers versatility by cutting a wide variety of materials including ferrous and non-ferrous metals

Utilizing a carbide-tipped blade allows the depth-of-cut to remain constant throughout blade life

Cuts 4-times faster than chop saws and 8-times faster than portable band saws in 2" x 2" x 1/4" angle iron

14", 66-tooth, carbide-tipped blade delivers a lower cost-per-cut compared to cutting with abrasive wheels

Specially designed carbide teeth deliver fast, precise, and virtually burr-free cuts reducing the need for preparation grinding and finished cuts that are cool to the touch

Largest capacity in its class with even more capacity than a deep-cut portable band saw (5-3/16" round & 4-1/2" x 6-1/2" rectangular) allowing user to cut a wider variety of different size materials for more applications

Ergonomically designed horizontal handle puts user's wrist in a more comfortable position to help reduce user fatigue and increase productivity

15 amp / 4 HP motor provides more overload capacity to increase performance and durability

Patented, 45-degree, adjustable Quick-Fence™ allows for fast and accurate angle cuts without using a wrench

Quick-lock vise allows for fast clamping on different size materials to increase productivity

Includes

(1) 14" Carbide Tipped Blade

(1) Wrench

(1) Vertical Clamp
