

# TECHNICAL DATA

## Specification

Diameter	11/16"
Flute Length	16.0
Length	21.0"
Overall Length	21.0
Quantity	1 Bit
Shank Diameter	0.0
Useable Length	16"

## BENEFITS

Highest drilling speed with inclined side cutters provides fast concrete drilling

Compact head for fast dust removal and longer life

Active-centering tip provides quick, accurate starts

Wear mark indicator assures accuracy of hole diameter
