

DESCRIPTION

The Milwaukee® universal fit OPEN-LOK™ oscillating multi-tool 1-3/8 in HCS wood blade 1 PK is made from premium high carbon steel with edge ground teeth, providing optimal cutting performance in wood, PVC, drywall and other soft materials. This Milwaukee® blade delivers faster cuts than the previous generation of high carbon steel blades with more teeth and an increased 1-3/8 in cutting width with a deeper plunge cut. This wood cutting blade for multi-tools is designed and made in the USA with global materials.

Milwaukee® Blade, 1-Piece, Series: OPEN-LOK™, For Use With: Oscillating Multi-Tool, Specifications: 1-3/8 in Cutting Width, 2 in Max Plunge Cut Depth, 27 Teeth, 18 Teeth per Inch, High Carbon Steel, Black Oxide, 2.05 in L x 0.025 in THK Dimensions

Features

- Universal fit OPEN-LOK™ anchor for quick blade changes
- Aggressive tooth design for fast cuts
- Long-lasting laser etching for clear and easy blade identification
- Raised OPEN-LOK™ anchor for flush cutting
- Cut-away blade body shape for fast plunge cuts
