

M18™ FORCE LOGIC™ 6T Utility Crimper Kit with D3 Grooves and Fixed BG Die

4.1 (9) Write a review

The M18™ FORCE LOGIC™ 6T Utility Crimper delivers The Easiest Way To Crimp In Tight Spaces. Moving the Grip to the Center of Tool Delivers Ultimate Control in Class 3 Gloves, Improving Alignment and Accuracy. The M18™ FORCE LOGIC™ 6T Utility Crimpers, features the industry's first adaptive pressure control system, PFM™. PFM™ actively measures pressure and automatically modifies all performance levels of the system allowing the high speed hydraulic pump to power through the beginning of a cycle and land at precisely the right pressure to complete the crimp. The result, Milwaukee® crimpers are the most accurate, fastest and most durable crimpers in the world. Milwaukee® Crimpers feature a fully enclosed high speed hydraulic pump, Brushless Motor, REDLINK™ Electronics and REDLITHIUM™ Batteries delivering Ultimate Reliability in the toughest conditions and up to 4x longer life. Milwaukee® 6T Utility Crimpers deliver Confidence for any Power Emergency. Featuring Milwaukee® ONE KEY™ Technology, the Milwaukee® 6T Utility Crimper enables you to store real time crimp data, generate professional reports, view historical tool performance data and sync it all wirelessly to the cloud for easy access. For ultimate versatility Milwaukee M18™ 750 MCM Cable Cutting Jaw (49-16-2772) and M18™ 477 ACSR Jaw (49-16-2773) are easily interchangeable on all 2678-20 models. The kit includes (2) M18™ 2.0 REDLITHIUM™ Batteries, Bucket Bag and Carabineer.
