DESCRIPTION

Feit Electric LED PAR38 120W Equivalent 1400Lm Dimmable 5000K CEC Compliant Bulb (PAR38DM/1400/950CA)

Enjoy all the benefits of advanced LED energy-saving technology with the Feit Electric PAR38DM/1400/950CA 120W dimmable Enhance® LED Light Bulb. This bulb meets CEC Title 24 light bulb standards, produces 5000K daylight light and will replace a 120-watt equivalent incandescent bulb. Enhance® LEDs make colors appear vibrant as they really are. It produces a light output of 1400 lumens, uses 15.5 watts of electricity and up to 87% less energy than a standard incandescent light bulb. Get instant on to full brightness with relatively cool running performance. Feit Electric indoor / outdoor waterproof PAR38 bulbs have an average life of 25,000 hours / 22.8 years. Choose an Energy Star® approved light that shows colors true and natural. A dependable choice for general purpose recessed and outdoor security lighting residential or commercial applications. Bulb Type: LED | Bulb Shape: PAR38 | Usage: Recessed Lighting & Outdoor Security | Finish: Silver | Dimmable | Energy Star Approved
