

**Let its heat circulate to the heart of your home**

Renowned for its shockingly quiet performance, the Pulsair forced-air heater goes virtually unnoticed! Unique in that its only 2 3/8 in. deep, this little heater is the ideal solution for hard-to-heat locations, fitting in just about anywhere you need it to. Whether you are looking to heat your entrance, kitchen, or garage, this heater will no doubt do the job. Available in white, almond and silver finishes, the **RWF** will blend in anywhere.
