

Introducing a Smart New Look for the Caséta Family

Lutron's most popular dimmer is now smart!

Intuitive Design Offers Simplicity, Style, and Control

- Diva and Claro smart controls provide a designer-style option for Caséta systems, and they coordinate with existing paddle switches
- Easy to install with wired and wireless 3-way options

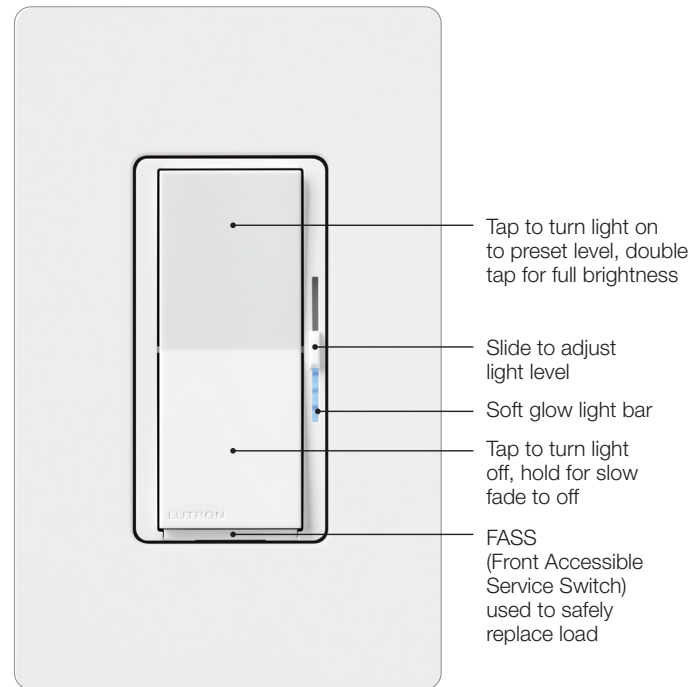

The Caséta Advantage—Comfort, Control, and Peace of Mind

- Customized schedules allow customers to always come back to a well-lit home
- Personalized scene control to set the mood for any occasion
- Multiple points of control from virtually anywhere—remote, app, switch, or voice

Most connected—works with more smart home devices than any other smart lighting control brand

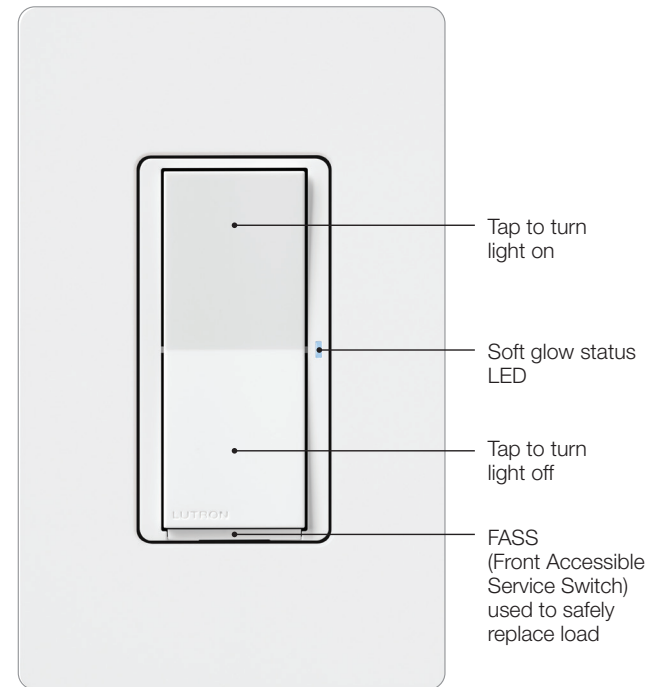

Diva Smart Dimmer

Diva Smart Dimmer

- Easy, precise dimming with soft-glow light bar
- Works with existing wiring (no neutral required)
- Flexible, 3-way/multi-location control capability with wired and wireless options

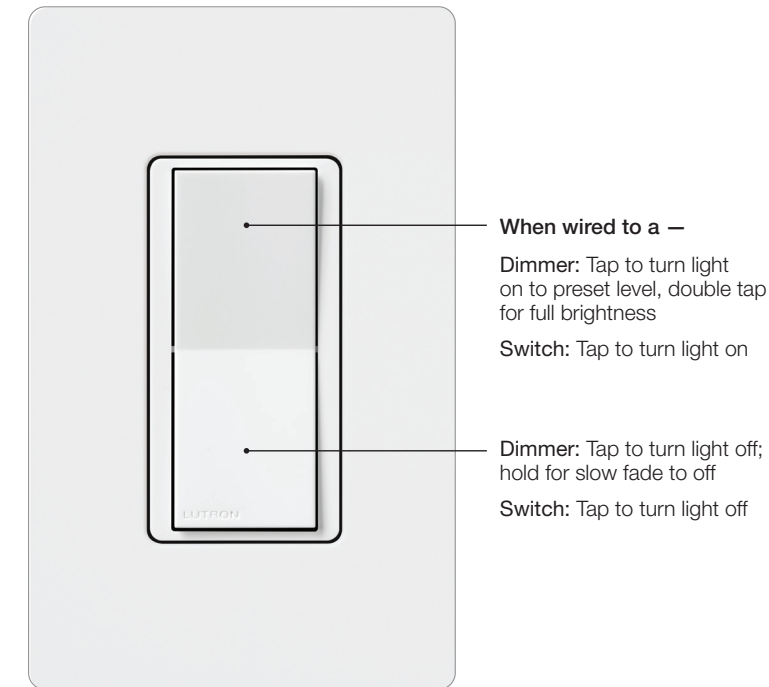

Claro Smart Switch

Claro Smart Switch

- Provides on/off control of lights or fans
- Neutral wire required
- Flexible, 3-way/multi-location control capability with wired and wireless options

Claro Smart Accessory Switch

Claro Smart Accessory Switch

- Wired solution for 3-way/multi-location control
- For multi-location switching, use up to 10 accessory switches with one Diva smart dimmer or Claro smart switch
- Works only with Diva smart dimmer and Claro smart switch (does not work independently)

Diva smart dimmer, Claro smart switch and Claro smart accessory switch available in 6 gloss finishes*

Save Time and Money

Wireless solution – Use the Pico remote to add a second location almost anywhere

Do you want to give your customers a second switch where one doesn't exist. Use a wireless solution and skip cutting the wall and pulling wires! Wireless is a simple and easy way to add a switch to a stairway, hallway, or wherever your customer needs one.

Mount a Pico remote for wireless 3-way control in just 3 steps:

Step 1 
Replace existing switch
with the wired smart
dimmer.

Step 2 
Connect the wireless
Pico smart remote to
the wired smart dimmer.

Pico remote sold separately.

Step 3 
Mount the Pico smart remote
and wallplate to the wall—it will
look and work just like a dimmer.
(see page 3 for wired 3-way/
multi-location control)
