

Milwaukee #2677-21 Specifications

Zoro #: G3113577 **Mfr #:** 2677-21

Promotion Restriction: Not eligible for promotion

Item: Knockout Tool Kit

Battery Included / Bare Tool: (1) 2.0Ah Battery + 2" Accessory Pack & Hard Case Bundle

Voltage: 18.0 V

Max. Operating Force: 6T

Max. Capacity Mild Steel: 10 ga

Max. Capacity Stainless Steel: 14 ga

Cordless Tool Battery Type: Li-Ion

Series: M18™

Includes: M18 Red lithium 2.0 Compact Battery, M12 and M18 Multi-Voltage Charger, EXACT(TM) 1/2 in to 2 in Conduit Punches and Dies, 7/16 in Draw Stud, 3/4 in Quick Change Draw Stud, Quick Connect Alignment System and Carrying Case

Tool Length: 11 5/8 in

Tool Weight: 3.3 lb

Features: Compact Design Delivers Easiest Access in Crowded Enclosures, Fully Balanced for One-Handed Punching, Lightest Weight for Best Portability

Battery Pack Replacement: 38D765

Battery Included: 38D765

Battery Capacity: 2.0 Ah

Corded/Banded: Cordless

Corded/Cordless: Cordless

Options Included: (1) 2.0Ah Battery + 2" Accessory Pack & Hard Case Bundle

Standards: UL Listed

Application: Punching Conduit Sized Holes in Mild Steel, Aluminum, Fiberglass and Plastic

Overall Length: 11 3/4 in

Punching Capacity in Stainless Steel: 4 in

Brushless Motor: No

Battery Series: M18 REDLITHIUM

Maximum Round Hole Diameter: 4 in

Punching Capacity in Mild Steel: 4 in

Die Sizes included: 1/2 to 2 in Dies

For Maximum Stainless Steel Thickness: 14 ga

Battery Model No.: 48-11-1820

Maximum Punching Pressure: 6 ton

Power Source: Cordless

For Maximum Steel Thickness: 14 ga

Handle Orientation: Inline

Dies Included: Dies Included

Number of Batteries Included: 1
