

- **Diameter: 1-1/8"**
- **Overall Length: 12"**
- **Drillable Length: 10"**
- **Shank: SDS-PLUS**
- **Carbide Tipped 2-Cutter Head Design**
- **For Use In Concrete And Hard Masonry Materials**
- **Centering Point For Improved Positioning And Starting**
- **Reinforced Core And Flutes For Maximum Energy Transfer And Reduced Vibrations**
- **Flute Design Quickly Channels Debris From The Hole**
