

OVERVIEW

- Rainproof rated for indoor and outdoor use provides safety assurance for any electrically powered job
- Construction and industrial grade with molded u-ground plug and connector
- 25-ft - 12 gauge heavy duty cord
- GFCI safety assurance, OSHA compliant, highly visible "safety" yellow color
- LED power on indicator
- 15 amp, 125 volt rated

SPECIFICATIONS

Indoor/Outdoor	Outdoor
Grounded	✓
Color/Finish Family	Yellow
Jacket Material	PVC
Number of Outlets	1
UL Safety Listing	✓
CSA Safety Listing	✗
ETL Safety Listing	✗
Package Quantity	1
Oil Resistant	✗
Indicator Light	✓
Maximum Operable Amperage	15
Overload Protection	✗
Application	General purpose
Type	General extension cord
Polarized	✓
Amperage	0

Manufacturer Color/Finish	Yellow
UNSPSC	26121500
NEMA Configuration	NEMA-5-15-P
Water Resistant	✓
Cord Letter Designation	SJTW
Weight (lbs.)	4.34
GFCI Protection	✓
Weather Resistant	✓
Series Name	30438
Number of Conductors	3
Cord Thickness	7/16-in
Warranty	2-year
Wattage	1875
Number of Prongs	3
AC Voltage	125-volts
Length Measurement	25-ft
