

Workman Personal Fall Limiters (PFL)

The Workman Personal Fall Limiter (PFL) and the Workman Twin Leg Personal Fall Limiter are two of the most versatile fall protection devices available on the market today. The Workman PFL has a fast acting brake mechanism and the Workman Twin Leg PFL offers a great alternative to twin-leg energy-absorbing lanyards.

- Rugged, impact-absorbing protective bumpers for added durability
- A 400 lb. working capacity eliminates the need to custom order a product for a worker exceeding 310 lbs
- ATO ordering flexibility allows you to order the exact and only options you want
