20-Piece Impact Screwdriver Bit Set #1903766

20-Piece Impact Screwdriver Bit Set Features:

While most screwdriving bits are simply compatible with impact drills and drivers, IRWIN® Impact Performance Series™ fastener drive bits are engineered for maximum durability and long life with impact drivers. These bits are forged* rather than milled, so they fit fasteners more precisely, which reduces stripping and increases the life of the bit itself – IRWIN's Impact Performance Series bits have three times longer life than traditional bits. Manufactured with heavy-duty, cold-forged, high-grade steel, they'll withstand extremely high torque output. Plus, a black oxide finish resists corrosion and increases the life of the bit.

- Built for maximum durability and long life with impact drivers.
- Forged bit (vs. milled) for superior fitment, which reduces stripping and increases life of bit 3X.*

- Two-step easy in / out bit storage holds bits securely in place until ready for use
- Molded ABS resin case holds up to rigors of daily use
- Full-length metal pin in hinge for added durability and life
