The Leviton line of LevNet RF Wall Switch Receivers work in conjunction with EnOcean-enabled Self-Powered Wireless Lighting Control Products to provide an optimal solution for retrofit lighting needs. These wireless products combine Leviton's switching technology with self-powered and wireless technologies, developed and licensed from EnOcean®. The Wall Switch Receiver can be installed in place of traditional single-pole wall switches and fits in a standard singlegang wall box. No additional wiring is required.

UPC Code : 078477539897

Country Of Origin : Mexico

Technical Information

Product Features

Color : White, Ivory, Light Almond

Product Line : LevNet RF

Product Type : Wall Switch Receiver

Protocol : EnOcean Wireless 315 MHz
