

The DEWALT 20V MAX* Cordless Tripod Light illuminates your workspace in the toughest jobsite conditions. It's built for incredible durability in use, storage, or transport. Eliminate the hazardous heat of halogen. Cutting edge LED technology provides extended runtime and natural white light. Variable brightness settings up to 3000 lumens let you customize illumination for your work area. Compact design with carry handle provides easy portability, and it sets up in seconds. Rotating, pivoting head directs light where you need it. This package includes the light only.
